

## Corporate Group Activities offered at Furry Friends

### Large Groups (25 and over) at our Palm City Ranch

1. Landscaping the Garden of Joy
  - A garden with a walking path that includes memorial bricks of animals who have crossed the rainbow bridge.
2. Landscaping Puptown
  - Puptown houses our canine mothers and babies. It is pretty bare at the moment
3. Cathouse Project- Painting/ Mural
  - We have an entire house at our ranch that was gutted and made into nothing but a place we house our kitties
4. Painting Puptown
  - The walls are all solid white. We would love to add some color!
5. Landscaping our three acre play yard
  - I would recommend this for fairly large groups as it is a large play yard!
6. Cleaning Cages after Transport
  - We are always in need of help with removing the cages, cleaning the cages, and re-assembling the cages after an animal transport. We save over 100 animals a month just by transporting them to other shelters out of state!

### Smaller Groups (25 and under) at our Jupiter Location

1. Kennel Deep Clean
  - We would love to have a team come out and deep clean our kennels
2. Organize and Clean out our Laundry Room
  - We do anywhere from 20-50 lbs of laundry per day. We are always getting donations of towels, sheets and blankets and we would love a group to come in and organize the room to make it more efficient
3. Give Some Pups a Spa Day
  - We will pre-choose the dogs so we know they love water!
4. Trash Collection Around our Dog Walking Path
  - Unfortunately, not everyone cares about taking care of our environment
5. Assembling New Cat Condos at the Ranch- Immediate Need (mid- August)
  - These condos are wood and plexiglass. There are 20 of them that need to be put together.

Of course at the end of each session, we would gladly let the participants enjoy some kittens or puppy time!

Days and times vary depending on the project, as well as the time of year.

Please let us know if you have any questions! To set up a volunteer opportunity, please have them email [mpetersen@furryfriendsadoption.org](mailto:mpetersen@furryfriendsadoption.org) and I will coordinate.
